Garment – Serger Techniques, 9:00-12:00

Come see what a serger can do beyond finishing seams! This is a hands-on session with Sylvia Aamodt -- you will make samples to take home and refer to. Gathering, ruffling, piping, rolled edges, French seams, pintucks, and decorative edges are just a few of the tricks a serger can do for you.

Garment – Serger Project, 2:00-5:00

Judy Matthews will guide you through Pamela Leggett's *Perfect T-Shirt Pattern*. You'll take measurements, select size, cut your fabric and serge your seams. The end result will be a customized fit and a pattern you can use again and again. Bring your serger or use one of ours.

Open Sew – Garment

Kathy Roletter will guide and assist you as you work on a garment project of your choice. Finish something you've started and stalled on...or start something new.

Home Dec – Upholstered Storage Box

Nancy Roche will lead you as you assemble a pre-cut wooden box with a hinged lid, then upholster it in the fabric of your choice. This foot rest will provide practical storage and match your home décor.
