

Supply List

Open Sew Quilting

Friday, Jan. 18, 2019

2:00 – 5:00

Saturday, Jan. 19, 2019

9:00 – 5:00

The student will bring:

- * pattern, fabric and thread that you need for the quilt project you are working on
- * basic quilting supplies (scissors, rotary cutter & mat, seam ripper, pressing pad & small iron, etc.)
- * auxiliary lighting (optional, but recommended) with extension cord

Last year, one of the big hits was our scrap table! We will have some scraps from Ragtime's stash as well as from Trish's and Shellie's stashes. Bring your extra scraps to share, swap and swipe. Make a list of those odd colors that you need "just a bit of" but don't have in your collection. Take what you need and leave what you don't!

Note: Finding the perfect temperature in a large room for many students of varying ages and stages is difficult. Make sure you layer your clothing so you can add if you're chilly or shed if you're warm.

Ragtime will provide:

- * a sewing table for each student
- * irons and pressing surfaces
