2:00 – 5:00

#### The student will bring:

- \* sewing machine
- \* serger, threaded for 4-thread serging (if you own one)
- \* basic sewing supplies including fabric & paper scissors, pins, tape measure, seam ripper, marking pen/pencil/chalk, small sharp scissors
- \* transparent tape (in a weighted dispenser if possible)
- \* 1-5/8 yards of knit fabric, pre-washed
- \* matching thread
- \* Pamela's Pattern #104, *The Perfect T-Shirt*
- \* stretch sewing machine needles, either 75/11 or 90/14

Please wear a camisole or tank top so you can get accurate body measurements.

TIP: Give your fabric the "stretch" test. Stretch the fabric across the grain. If it doesn't fully recover to the original size, don't use it! Good fabric is always a good investment.

- \* a sewing table for each student
- \* irons and ironing boards
- \* a full-length mirror
- \* transparent tape
- \* pattern paper
- \* SewkeysE stay tapes
